March 2022

Dear Pastor, Church, and friends,

We have survived another winter on the mountain. The woodshed is almost empty so hopefully that is a sign that Spring is on its way! We have had the water stove patched, repaired, welded, patched again and was told at the beginning of winter that this would be the last time using it. Not knowing what we should do, we started praying for wisdom on what to do next and for the stove to make it through the winter. Praise the Lord! We can tell you the stove is paid in full and will be installed in the next 3 months. That my friends, is the goodness of GOD!

The school is doing great and with 13 students that keeps us busy! Please pray for these kids, they carry a heavy load of burdens everyday. We are so thankful their parents have sent them here to receive a good Christian education, learn to have a heart for others, and spend as much time outside as possible. There is more to learning than sitting in a classroom with a text book. You can learn a lot about God, creation and his goodness to us in the woods and at the creek!

I will be honest with you, the last six months have been difficult. Decisions to make, phone calls and letters to answer, maintenance issues, all the things Bro. King took care of. But God has been there for us and handled it all. His goodness, mercy and grace has poured out over this ministry.

There are no words to explain what our hearts have felt these past several months..... Thank you so much for your continuing support, love offerings, prayers, cards, calls, and love. Thank you for helping us help these kids and the burden God has laid on our hearts. If you would like to follow the school on facebook, please message my daughter, Tammy King.

As Bro. King would say, "Come sit with us on the porch and enjoy the view of the mountain."

Because of Jesus,

Mrs. Olen King
