February 2020

Dear prayer partners,

We hosted a **successful family game day** and we had one new family visit with us. Among this group were many **moms playing Uno while holding babies!** We also have seen **two first time guests on two Sundays**, one of which Kristen invited while out on a shopping trip with the kids. She has said she will return for another service.

We continue our **prayer walks/invites** and are finding many new contacts that **do not attend church anywhere.** Some are excellent prospects and they love the idea of praying together. We will be following up in the same areas over the month of March and inviting them to our Easter services. **Planning and preparation for Easter is in full swing.** We are asking for our congregation to participate in any way they can, especially inviting friends and family. Please pray that God will place things in order to better reach our community.

Kristen's mom was able to visit. We realize that as great as the visits are it is becoming harder for the kids to say goodbye as they get older. They shed many tears knowing that family lives far away and are rarely seen. It is **one of the highest prices paid for being a missionary kid.**

Our neighbors to the south are still reeling from all the earthquakes. **We have had nearly 4,000 tremors since December.** The kids have become very good at practicing their "Shaky" drills. It seems to be calming down in intensity but the recovery time for the southern cities will be long. We have been very fortunate to not have felt most of shaking, although some people around us have seen cracks in their homes. **My barber had to move out of his house due to damage.**

Thank you for your continued prayers and financial support. In addition to your regular support, **the need for the air conditioner has been met!** Though there are still many things to do in the building that was a major answer to prayer. We are excited about what God is doing here and look forward to sharing more with you. For more pictures and updates remember to **follow us on Facebook and Instagram.**
