Greetings from Emmanuel Charles and the Faith Baptist Church in Saint Lucia

We give thanks and praise to God that the covid numbers are down and that the authorities have given churches permission to observe all religious activities. For two years during the lock down we were allowed to have Church services only on Sunday mornings. However, we were able to teach, encourage each other and spread the Gospel through WhatsApp, Facebook, YouTube, the telephone and the internet.

Despite the covid lockdowns, we were able to have two baptismal services. One in 2021 and the other on Good Friday 2022 when we baptized six precious young believers.

On Good Friday 2022, we held a prayer breakfast by the beach at 6:00 am. During this time, six prayer groups were in deep prayers on various needs. This was followed by a challenge from the Word of the Lord, then the baptismal service and breakfast.

The six baptized were from ages 11 years to 17 years. This was truly a blessed time for us.
