Dear Praying Friends,

Here is some of what we have been doing since you last heard from us:

PASSOVER DEMONSTRATION

In the month of April I gave two Passover demonstrations: one at my home church, Gantt Street Baptist Church, and one at Open Bible Baptist Church of Swansea, South Carolina.

"Prison/Hospital" Ministry

I continue my weekly, Thursday night, ministry at the prison.

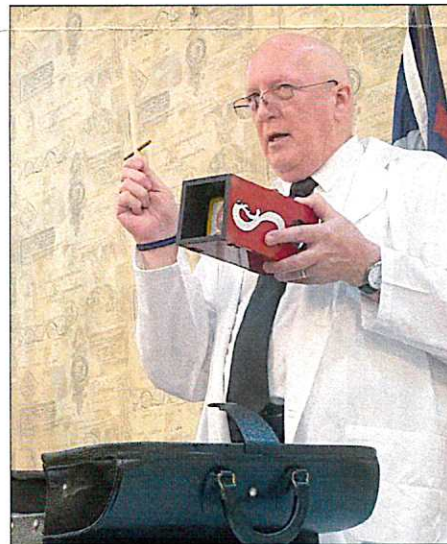

OLD DOC SCOTT - Awana talk

April saw the first appearance of "Old Doc Scott - the Heart Specialist" at an AWANA CLUB meeting. (The doctor's bag is an antique and the stethoscope is real.)

Old Doc Scott preaches the Word of God by means of various object lessons.

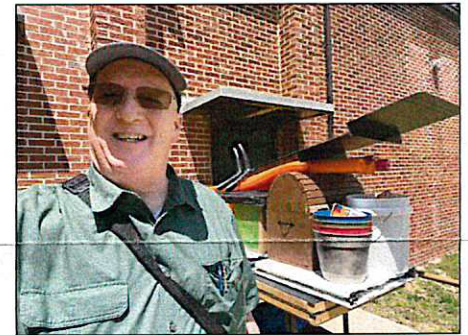

The top picture, Just checking to see if I am alive. I don't even know where my heart is.

Middle picture: An object lesson concerning the resurrection of Christ. The pointy object is symbolized as: Peter's sword, the cross (when turned), the spear thrust into the side of Jesus, and the swords of the guards who watched over the tomb.

The Lower picture: Preaching the Word. My object lessons always have a serious Bible lesson.

It is most likely Old Doc Scott will be seen this summer at Vacation Bible Schools, **perhaps even yours.**

CEF AFTER SCHOOL CLUB

Every Thursday afternoon I am part of a team that puts on a "CEF After School Bible Club." We take in a lot of teaching and game equipment (pictured). It is hard work, but worth it.

Yours in Christ,
Arvin and Marsha Devers
