

Serving U.S. Military Families in Japan

THE MCKITTRICK FAMILY

Enjoy Times Vol. 56 March - April 2022

Greetings from Japan!

Thank you for your continuing prayers and financial support for the ministry here in Fussa, Tokyo. We serve a risen Savior and rejoice in the work He is doing among our US Military stationed here at Yokota Air Base.

Please continue to pray for USAF Lt. Col (Ret.) Bob; God is answering your prayers. How? Well, because of your prayers, Bob and I had a great sit down talk at the Ramen's night out in March. Turns out, only Bob showed up that night as everyone else was working or TDY. So just he and me went to a ramen noodle shop and had a good time together. I was able to talk with him and witness to him. Furthermore, Bob has also been attending Sunday evening services and he was present at our last Men's Prayer Breakfast in April. As you can see, God IS working in his heart. Thank you for your prayers and I trust we will be able to write of Bob's salvation in our next prayer letter!

In April we held a worker's appreciation dinner for all those who serve in the church. What's great about serving in a military church is the many and ever present opportunities to serve the Lord. Many of the workers have never actually been involved in church work such as being a Sunday School teacher or serving in the nursery or making cookies for birthdays until they are here and we rejoice to see them growing in their faith. It's also nice to recognize and reward them for their labor of love for one day the Almighty God will reward those who were faithful in their service!

As our children are growing up we try to get them involved in serving too. At our Highways and Hedges outing in April, we passed out 175 gospel tracts at the Fussa train station. Haruna and Titus were busy going house-to-house passing out tracts while Asa, Silas and Phebe and I went to the train station. After we had passed out all the tracts, a Japanese man came up and gave a juice box to Asa, Silas and Phebe. That was very nice of him and I believe God used it to show those three how He blesses those involved in His work.

We had a great turn out for our Resurrection Sunday service. There were several first time visitors. Since then, two of the visitors have returned on a Sunday night and Wednesday night services. We held a Potluck after the morning service and it was well attended and the food was excellent. Please pray that we will see much fruit from that day! Thank you again for all of your prayers and support.

Thank you for the cards and notes of encouragement.

It is an honor to serve the Lord together with you. May the Lord bless you!
