

Please Pray for the Vincent Family Missionaries in St. Vincent and the Grenadines

3rd June 2022

Dear Faithful Supporters;

I greet you in the name of our Lord Jesus Christ and soon coming king. I am reminded each passing day of God's mercies upon my life and the lives of others. Therefore, with that thought in mind, it is my desire to keep trusting God who holds my future in his hands. Church I trust that this letter finds you in good health both spiritually and physically. I want to encourage us to keep our eyes upon Jesus and the work that he has entrusted in our care.

In relation to my family and I we are doing fine. We are still trying to settle in by God's grace. Aletheia and David are making new friends and they are adjusting to their new school system. As for my wife, she is diligently assisting in the ladies ministry anyway that she can help. She is devoted and excited in being a part of the Lord's work.

Speaking about lord's work, we have been busy since we have arrived on the island of St.Vincent. We have started painting over the church building, visiting former members, evangelistic outreach, open air meeting and so on. During these meetings I got to preach the Lord had saved five precious souls that came forward to accept the Lord Jesus as their Savior. Also fifteen other persons came forward to rededicate their lives to the Lord. What a blessings!!

As a church we will be launching our children's bible club next month in an area called Lowman Bay where the Government has recently built some low income houses for the nationals. Also we will be having 6 months Open air meetings on that grounds which we have been evangelizing for five months now. Please partner with us on that mission as we preach Christ. There are a few needed appliances for the meetings such as; Mics, a complete PA System rating 2000 watts, and speaker cables. Any assistance prayerfully or financially will be great appreciated. As a church we have already been helping ourselves to gather whatever we can get for the meetings.

In addition, Dr Conrad Nedd who is a Christian Physician had a mission outreach and he had invited me to his clinic to share the Gospel to over 270 persons. These persons have received Gospel tracts and a copy of the KJV bible in their hands. We had shortages of bibles that day but those that had received a copy were very appreciative of the gesture. Our next mission trip will be in August to the island of Cannoan which is one of the Grenadines islands. Please pray for us.

At the college I had the opportunity to teach the young preacher men, church planting and the book of Hebrews this semester. As they prepare themselves for the ministry I thankful that the Lord has allowed my wife and I to volunteer our services to their academic school year at the college. Please keep our students in your prayers

Here are a few prayer request; pray
