September 2024

Dear Prayer Partners,

Lots of fun events have happened in the last few months, I will share extra pictures and videos with the email version of the prayer letter. In Argentina, Saturday, July 20<sup>th</sup> is Friend Day. So, that Sunday we celebrated Friend Day in the church with friends, food, and fellowship. We are thankful for a great turn out and several visitors. The church ladies have been having a Saturday ladies Bible study each month and had a special Bible study for Friend Day as well. During the month of August, we kicked off a new idea of having a teen program each month at our house. The event got off to a great start with a great attendance and several visitors also. I began a series of lessons on the life of Daniel. Please keep these monthly teen events in your prayers. It seemed to be as much of a blessing to the parents as the youth. At the end of August, the Merlo Family; the missionary family that we have worked with, returned to Argentina after a furlough. Our whole family has been very happy to have the needed friends and fellowship, especially our kids. It has been a very good transition handing the church back over to Bro. Merlo, and I have begun the process of looking for a place to begin our new church. This past Thursday Bro. Merlo went with us, and we looked at a location that we really liked. We liked it so much that first thing the next morning we went to the rental office before it opened and took the deposit with us, knowing that we would have to act fast. Then 3 minutes before the office opened, they called me saying that the owner changed the listing and accepted an earlier offer. I was very disappointed, but then I remembered praying earlier that morning that God would open the right doors and close all others, so this was obviously an answer to prayer. We are planning to begin with some Sunday meetings in our house for the time being. Please be in prayer for us as we continue to look for the right location and pray that God will bless these meetings in our house. Thank you for your faithful prayers and support.
