servicing
in Fiji

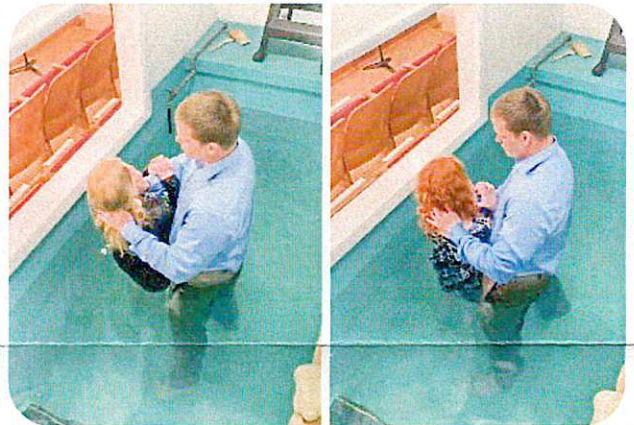

March/April 2022

Bula! From the Leonard Family!

March started off busy for our family! In the beginning of the month I was able to attend the "Alumni Days" at Tabernacle Baptist College. It was great to see many friends and each service was an encouragement to our family. My wife's cousins is enrolled in classes this year and it was a blessing to see a new generation of young men being trained to preach God's Word.

Throughout the remainder of the month and into April, I did a lot of traveling on my own. Amanda remained home with the children to keep them on schedule with their school work. In my travels, I was able to attend meetings in Montana, Ohio, Illinois, Indiana and South Carolina. I also enjoyed seeing a few of our fellow missionary friends at the meetings. In Montana, I was able to share a missions apartment with my good friend, Brother Matt Stahlman, in Beyond Borders missions camp. We had a great time catching up and encouraging one another.

One Sunday evening, while traveling back home from a meeting I had a wonderful phone call from our youngest daughter, Brianna. She called to inform me that she had accepted Jesus Christ as her Savior after church that evening! We had already scheduled with our pastor for Alyssa to be baptized the last Sunday in April. What a joy it was to baptize both my daughters on that Sunday and know they desire to be obedient to God and follow Him in this first step of baptism.

Thank you for your many prayers for our family during this furlough time. Due to some changes in the immigration process to enter Fiji, we are unsure of when we will be able to return to Fiji. Please be in prayer for our family as we deal with the hindrance and seek the Lord's will for our future.

In prayer for Fiji,
Robbie and Amanda Leonard
