Dear Friends and Prayer Warriors,

In Malachi 3:6 we are reminded of the immutability of God, "For I am the LORD, I change not; therefore ye sons of Jacob are not consumed."

As a whole society is turning further from God in our ever-changing world and we know that trend is not going to change. It is a heartbreaking thing to witness knowing what the end of those things will be. But, on the other hand, there are the changes that God orchestrates as He, in His longsuffering, uses His people for the furtherance of the gospel. Change is not always easy to understand but, when we embrace it with faith in God's unchanging wisdom and faithfulness, we can rejoice in knowing that He doeth all things well.

On that note, we're writing to inform you of some changes the Lord has made in our ministry team. Ms. Pamela Wieler, after faithfully serving for 19 years as a missionary in Africa, has sensed the Lord leading her back to the U.S. to begin a new chapter of her life and ministry. It's a bittersweet change for us all as Africa has been "home" to her heart for much of her life and she has been an invaluable missionary for the cause of Christ here in Botswana and previously in Uganda. The Lord has used Pamela greatly in many ways and especially in the establishing of The Grace Learning Center (Christian school). She leaves behind a solid foundation and an opportunity for the Lord to take us "next level" in the ministry of educating children and reaching families with the gospel. Growing ministry inevitably brings change and we are all trusting the Lord to guide and provide as we go through some transitions. We're excited for our sister and co-laborer, knowing God will use her wherever He is leading her to impact the lives of the students she'll teach in the U.S. And we are equally excited to see what the Lord has instore for the ministry of the Grace Learning Center.

Ms. Pamela is able to finish out this school term and will return to the U.S. in December. Please pray for her. Returning to America after living most of your life in Africa is not an easy change, emotionally or otherwise. She's also left us some big shoes to fill and we are earnestly praying and looking for the next person, the person of God's choosing, to serve as the school head. Please also pray for the students and parents.

Ms. Pamela is an amazing teacher and would be a great asset to any ministry and I know we have a shortage of qualified Christian teachers nowadays. If you would like to reach out to her she can be contacted via email at: [pamelawieler@gmail.com](mailto:pamelawieler@gmail.com)

Thank you for your continued prayers. We remain...  
Together in the harvest,

Pastor Mike Haley
