Both husbands came. One has been faithfully coming nearly every Sunday while recently raising his hand for salvation during the invitation. These newly saved ladies' faith is bearing fruit for His glory! What a mighty God we serve!

January 2022

What a wonderful year of ministry God has granted us in 2021. Despite the pandemic mandates placed, God has allowed Mars Hill Baptist Church to bear fruit for His glory.

We have seen marked growth in the lives our newly saved church folks. They faithfully come to all Sunday services and even to each Bible study. How we praise the Lord for this!

Recently, two of our newly saved ladies battled through a deep trial- one survived a terrible domestic violence incident while the other lady found out her husband had lost more than \$200K of their savings to stocks and cryptocurrency investments.

Would it shock you to know that the Lord used these difficult trials instead to spur these ladies' faith and in so far as to go and invite their husbands to church.

We may never understand the trials and difficulties we faced in 2021, yet we can move forward in confidence knowing that our God is in control and sovereign over every detail of our lives.

By God's grace, Lauren (18) just recently finished a very rigorous solo violin recital two consecutive nights. Lyndsy (15) was able to play a few duets with her sister which made it even more special. We had more than 90 people purchase tickets and the Lord used it as a beautiful ministry outreach even in the midst of the pandemic. Thank you for praying! We will soon post recordings of the recital online.

Lilyanne (9) is also doing amazingly well despite the pineal cyst in her brain. Doctors continue to monitor her progress, but we thank God for sparing her from further episodes the past four months. Brandon is able to walk without the aid of crutches, but still struggles with a limp. Please continue to pray for complete healing there.

We highly anticipate to another full year of ministry with 1:1 discipleship, childrens' ministries, and more evangelistic outreaches at Mars Hill Baptist Church.

We are so very thankful for each of you praying on our behalf and for your sacrificial financial support. May the Lord be lifted up and magnified greatly in the year of 2022!

Happy blessed New Years,

The Song Family  
Brandon, Rose, Lauren, Lyndsy, and Lilyanne
