

Don & Karen Clarke—June 2022

A Last-Minute Mission Conference

“Can You Come to Our Mission Conference—in Three Days?”

That phone request in late-May led to a 550-mile road trip to **Memorial Baptist Church** in Florida. We had nine wonderful days to tell about our ministry and to get to know the folks in Ocala, Florida.

The kids at **Memorial** all loved hearing our stories about life in Liberia. They were amazed that we often live without running water or electricity. A few kids even got to practice carrying a bucket of water **on their heads**, just like the children in Liberia do.

Getting Ready for Africa: Have you ever wondered exactly **HOW** we get ready to live and work in Africa? Recently, we've acquired:

- **Mud tires** and **anti-theft lug nuts** for the RAV4.
- Thousands of illustrated gospel Chick Tracts. (We'll give them to soldiers at roadblocks—that always helps us get through).
- An emergency car-start pack—when our battery dies out in the middle of nowhere.
- A solar-powered battery recharger.
- A charcoal-based, gravity-fed filter that will make our water safe to drink.

Karen's Dynamic Testimony

At a Saturday **Ladies Breakfast**, Karen told the dramatic account of her conversion: how God rescued her from an Eastern Cult and transformed her into a dedicated missionary. Karen showed a copy of a painting which she made the night she was saved and which God used to show her that **Jesus is the only Way**.

Pray: *For Liberia to open for us; *For us to use our remaining time in America wisely; and *For safety and wisdom for a late-June trip to churches in Texas and Tennessee.

Thank You! It is a blessing to be sent by you! Don & Karen Clarke
