

NOVEMBER 2024

# THE DOOLITTLE FAMILY

Thanking God for His Goodness

## A Time to Contemplate

While in the trenches of ministry, it is often easy to lose sight of the blessings showered upon us amidst the storms of life. This Thanksgiving season, we wanted to take a moment and share a bit of what our wonderful God has been doing in our lives. To list all He has done would take more pages than we can fill, but to sum it up: GOD IS GOOD!

The year of 2024 has not been without trouble, but His mercy and grace has abounded towards us and the ministry. We have seen many souls come to the Lord and countless rededicating their lives. The church and camp construction projects are steadily continuing as the Lord provides the funds. Our boys are continuing to work towards what the Lord has for them. Stanley will be beginning deputation next year and Kevin is finishing his Junior year in college.

Finally, we want to thank all of you for your support through prayers and giving. All we have been able to do would not be possible without your help and intercessions for us. THANK YOU!

## We are thankful for:

-  Dozens of souls saved in 2024!
-  The eight camps this year and the lives changed at each.
-  Our children, who are faithfully serving the Lord.
-  The progress on the camp and church construction projects.
-  The privilege to share the gospel without persecution.
-  Those who support our ministry through prayers, finances, and labor.

***In every thing give thanks: for this is the will of God in Christ Jesus concerning you. 1 Th. 5:18***
