## The Next Level

BRAZIL

August to November Newsletter 2024

### Someone New is Coming

- Let us just declare: GOD ANSWERS PRAYER! Towards the end of July, we were surprised and overjoyed to find out that we were pregnant. And he is a

BOY! The past five months have been filled with baby announcements, doctors' appointments, gender reveals and lots of ultrasounds 😊.

- After much prayer, the Lord revealed to us that his name will be: "Micah Emmanuel (Who is like our God, a God Who is with us)".

It's a Boy!!

Every week he is with us allows us to thank the Creator for the gift of life.

**\*\*Micah is due to arrive in March 2025.**

### Next Phase for the New Life Ministry

- "Our New Life" Day:** We organized one of the most important events this past October, where we presented the vision for the next phase of the ministry: the small groups ministry and phase 5 of our expansion project. The church was packed not only in numbers but also with enthusiasm. *The New Life church is heading into the next level!*

- 19<sup>th</sup> Missions Conference:** The impact was tremendous! We are amazed on how the Brazilian people have developed a passion for missions. Our new "faith promise" commitments doubled over last year's commitments. The New Life ministry currently supports 24 missionary projects. The new commitments will allow them to take on at least two to three more projects.

## Next Generation of Spiritual Leaders

- We reach the next generation through many ways:
  - **Men's Retreat:** One of the keys to Gospel ministry is investing in men. In August, we held a men's retreat to minister and reach many of the men and young boys in our community. Several of the men present were reached through their own kids or as young men themselves.
  - **Discipleship and Seminary:** these are key components in training them for their role as leaders. We were grateful to see another man, Uarlisson, being ordained as pastor. He and his wife, Graziele, will be leading the other church plant in Guacuri.
  - **Good News clubs:** Though we have not been able to do as many this year, we had the opportunity to hold Bible clubs at a sister church –

# WE NEED PRAYER!

- **Pregnancy** – When this letter reaches you, Susana will be going on 22 weeks. Her health is stable, and Baby Micah is developing well. We trust God for His protection, but we appreciate the continual prayers for their health until his arrival in March.
- **Home remodel** – we have been waiting for so long to find workers to help with the renovation of our apartment. The pressure to remodel grows to prepare for the baby's arrival. We are set to begin renovations on November 25<sup>th</sup>. Please pray for us that we can have the funds and complete the renovations before Micah's birth. WE are also praying for the Lord to give us a new vehicle.
- **New Phase** – New horizons are in store for our ministry and some significant changes are taking place for growth. Please pray as we are still training and putting leaders in place. And we are taking the church into this new phase of expansion.
