Dear Brothers and Sisters in Christ,

We hope your celebration and adoring the birth of our Savior Jesus Christ was wonderful as ours. A happy and prosperous new year to all our dear, faithful and praying friends that love the Lord. You are in our prayers.

My heart greatly rejoices to share with you that the Lord has once again answered our prayers. We were praying for several years for a transportation for the ministry and family use, the Lord has faithfully delivered this need. Glory to the Lord! Thank you also for praying with us.

We were able to buy a used van directly from Japan, which was shipped down here to us. This was only made possible by the hand of the Lord and because of the financial support we have received from hearts that love Him. We are tremendously blessed to have in our lives those of you that we know and those who we have never met, but gave to be a blessing to us. Our hearts greatly appreciate you beyond words.

Everyone is excited for us down here and with the new van. Last Sunday morning was the first morning for me to pick up folks with the van, we had a great turn out, and extra trip was even made because of a few more folks showed up to take a ride on the van to be in Church. Please pray that many will stay in Church and become faithful servants of the Lord. Please also pray for safety, protection and wisdom in using the van and taking care of it.

We will begin 2022 by having a 3 days mission conference at the end of January. I am excited to have two local preachers, who will be preaching for us during these days and also seeing our people getting involved. In the month of March some of our dear friends in the Lord are planning a mission trip to be here with us. A few months ago, this trip was cancelled, mainly because of the corona virus. Please pray with us that they can travel safely and that we be able to reach as many souls as possible for the Lord. I can hardly wait to see and work together with these faith servants that love the LORD.

I would like to come to the U.S this year, please pray that I will be successful in getting a visa. We continue to pray that the Lord will lead us in the direction of land for the Church soon. I am currently working on building a 12ftX20 metal frame in the form of a tent, we will then cover the frame with tarp and use it for our children Sunday school area.

We pray you all stay safe and in good health watching for the day of the Lord!

With Christ Love, Bro. Rolston Melville & Family.
