

Dear praying friends,

September 2024

Thank you for praying on behalf of our family in the month of August. We had a wonderful time visiting our alma mater in Santa Clara, CA. It was a blessing to reconnect with the staff members and to see how God is continuing to bless the ministries for His honor and glory. After our visit with friends in Northern California, we drove to Nipomo, CA, to visit with my sister and brother-in-law. They are both faithfully attending their local church and serving however the Lord allows. In turn, God is blessing both of their jobs and providing their daily needs.

In the middle of the month, we were able to spend an entire week at Baptist Bible Translators Institute in Bowie, TX. Abbey and I are both very grateful for the culture and language learning training that we received from the classes at BBTI. Please pray for that ministry as they have just recently experienced a positive transition in leadership. I truly believe that we need more programs like BBTI to help prepare a missionary family in adapting to their intended country of ministry service. We returned to Greenwood, IN, at the end of the month to rest and to spend a couple of days with Abbey's family. Carson is progressing very well in first grade. We are doing our best to keep him ahead, especially with the inconsistency of our current schedule.

While traveling in North America, we have been in active communication with some of our friends in Uganda. Please continue to pray for our carpenter friend, Wisdom, as we do weekly discipleship via WhatsApp. He is growing in the Lord and taking positive steps forward in his business. Please pray for Elly and Sylvia, Pacifique and Carlyn, John Bosco and Julian, Jackson and Dorothy, Ssuuna and Twikizire, Fred and Annet, and Happy and Naomi. These are all church members, staff members, or national pastors in the various ministries that we have attended and ministered.

Please pray for the following requests in the month of September:

- 1. Our meetings.** This month, we will be visiting six churches including flying from Detroit to Colorado Springs for one of our mission conferences. Please pray that we will be an encouragement to the churches and challenge those attending to do more for the cause of Christ.
- 2. Our safety.** So far, we have driven a little over 15,000 miles. Please pray that our van will have the longevity necessary to drive for the remaining three months of our furlough.
- 3. My father's health.** He was given a "no activity" report regarding his brain cancer. He will continue to have blood work done every quarter to ensure the tumor remains dormant. Please continue to pray for the extreme neuropathy pain that he is experiencing in both of his legs.
- 4. More People to Surrender to Worldwide Missions.** While the need for more laborers in North America is still very great, we also need more laborers to surrender to be used of God around the world.

Your faithful servants in Christ,
Caleb, Abbey, and Carson Turner
