GREETING

Hello supporting churches, friends, and prayer partners! We have had a very busy the last couple of months. It has been great being where God has called us and we couldn't do it without your faithful support and prayers. Thank you! Ministry does not come without its challenges, but we are blessed and overjoyed to be serving in Guyana and with New Life Baptist Church!

MINISTRY

July 31st-August 4th, we had our annual Vacation Bible School. Evangelist Tom Geer came to Guyana to help with the VBS. Through it, we had 217 kids in attendance, multiple adult visitors, and 17 professions of faith in Christ. Shortly after finishing our VBS, we had a Youth Connection, which is like a VBS for Teenagers. Guyana has a real need for reaching the youth. Many youths get into so much sin at a young age, so it is a blessing to be able to invest in them this way. During the Youth Connection, the Lord allowed us to see 20 more accept Christ as Savior. What a blessing!

August 19th-23rd, our church teens and the teens of some of our sister churches attended a youth camp hosted by Pastor Zakir Ibrahim. We had some great preachers from the states come in and preach, and saw many saved and many decisions made for the Lord. You can see in picture number 2 that there was a good crowd. Again, it was another great way to invest in the youth of Guyana. The following Sunday was a great service as we had our teens express what decisions they made at camp.

On September 3rd, some of our faithful growing church members enrolled in Bible Institute which was recently started by a church in Diamond. We are expecting more to attend in semesters to come and are excited to see what God does in their lives.

September 23rd-26th, our church hosted a huge medical clinic in which 50 doctors, nurses, a dentist, church members, and pastors from the states came to give free medical care to the people in our area. Their main purpose of course was to use this to reach the people with the gospel. There were around 800 people who came through the clinic and each one was presented with the gospel. Throughout the 4 days of clinic, 72 people professed Christ as Savior! We are taking time to follow up with them and try to get them in church.

Through the services of New Life, outreaches, and personal soul winning, the Lord has allowed us to see 160 people come to Christ since our move to Guyana in February, and the church is growing! All glory to the Lord!

PRAY

Please pray that God would continue to save souls, that our follow-ups would be successful and fruitful, and that those who got saved would get in church and continue to grow. Pray also for the students in the Bible institute.

Your Missionaries To Guyana,
The Cepec Family
