Dear Praying and Supporting Friends,

Ministry Update

Praise the Lord we have reached 30%. Our goal is 50% by the end of this year. We would be thrilled if you would consider taking us on this year. We were blessed to be in many states since our last prayer letter. These include Missouri, New York, New Jersey, and South Carolina. We enjoyed inviting people to church while in South Carolina, along with other states. It has been amazing to see all the wonderful churches as we have traveled. We are looking forward to a full schedule of meetings as fall roles in.

It has been a blessing to see people making decisions in our church services as we travel. We pray that we will see more people surrender to full-time Christian service as we travel. I was able to preach a special bus kids service as well as a radio service recently. This was a new experience for me but was a good preparation as that will be one of the areas I will be working in when I arrive on the Mission field, Radio Compaixão.

Family Update

Praise the Lord our pregnancy is going well. The baby is doing well and it is a thrill to hear the heartbeat each time. Rebecka has begun and is continuing language studies online so she will be ready to go as soon as we arrive in Brazil, our prayer is to be there by the end of next year.

Prayer Requests

1. We would reach 50% by the end of this year.
2. We would be able to reach 100% by the end of next year.
3. Safety in travel and in pregnancy.
