Dear Praying and Supporting Friends,

### **Ministry Update:**

This past quarter has had us mainly in South Carolina and Tennessee. I had the pleasure of serving one church Brazilian beans and rice for a missionary potluck dinner. As people came by our table to receive the food, I had the opportunity to teach them about Brazil and answer their specific questions.

Whenever we are at a church, I make a point to grab a couple of tracts. As we were leaving one area to travel to the next, we stopped to get some food. When it came time to pay, I handed the cashier a tract from a local church with the money and said, "This is for you to read in your spare time." She gladly received the tract and said, "I was just about to ask you what church you go to." Please, pray she will visit the church and trust Christ as her Saviour.

We have had the pleasure to teach Sunday school classes, be a part of Q&A panels, and give our testimonies at various churches. To see people make decisions at the services is such a blessing.

### **Family Update:**

God has given us good health and safe travels. The baby's growth is on track, and Becka receives a good report whenever she goes to prenatal appointments. October is full of meetings that I will be going to on my own since long distance traveling is not safe for Becka and baby at this stage of pregnancy.

### **Prayer Requests:**

- Souls to be saved
- We would reach 50% by the end of this year.
- We would be able to reach 100% by the end of next year.

In His Service,

Jeff and Rebecka Johnson
