June 2024

Dear Brothers and Sisters in Christ,

It seems as though we have blinked and June has come and gone. This past month we had the joy of having Mark's mom come to visit with us! We loved being able to take her to the different places we have written to you all about and to introduce her to those precious people we have asked you all to be in prayer for. There is nothing quite like sharing your heart for the field where God has called you with your parents!

Mark has had many opportunities to preach which has been a wonderful blessing! We are so grateful also for Karston who is willing to interpret for him while Mark is still working on learning German to the capacity where he can fluently preach on his own. Please continue to pray that Mark will be able to learn the language as quickly and as thoroughly as possible and that the Lord will allow us to be a blessing to the people of the church.

Our sweet baby girl is still in good health, Praise the Lord! She is getting bigger everyday... and Momma is beginning to feel every bit of it! Please pray that God will continue to give Naomi strength and good health as we wait for our little bundle of joy to arrive in just two short months.

We are so very grateful for your continued prayers and support!

Yours In Christ,
Mark and Naomi Byers
