AUGUST-SEPTEMBER 2024

Dear Pastor and Praying Friends,

The last couple of months have been very busy as we have begun to transition from our time of deputation and pre-field ministry to making plans for life in South America. We have had several meetings with a few more to go over the next few weeks. We had a couple of weeks left open for us to get our house ready to sell in Florida. With a few days at home without any meetings we had an estate sale, many household projects to finish up, our daughter's wedding, an ordination service, and our exit interview with BIMi before we started up meetings again. God has blessed us abundantly with favor and support from many churches and individuals and we are very close to being fully funded.

In the past few weeks we have begun to pay for the "outfit and passage" type items such as purchasing shipping totes, language school, airline tickets, and beginning the visa process. Many of our supporting churches have given above and beyond for these needs for which we are grateful. We also had some churches that made my wife and me the VBS missionary project and gave special offerings for the ministry and a special offering to help us with our vehicle purchase once we get to the field. I look forward to using that vehicle in the ministry to reach others for Christ, knowing that those children who worked so hard will receive a reward for helping spread the gospel message in the Amazon basin.

We do ask you to pray with us for the following things:

- that the Lord allows our home to sell before our departure,
- that the visa process goes smoothly and God gives us favor with the agents working on our paperwork,
- that He prepares our middle-aged minds to grasp the languages quickly and effectively,
- that we will be faithful to Christ and good stewards of the opportunity He has given us,
- for our country to see many more saved and Christians stirred up in the service of our Lord,
- and for more laborers to answer God's call to the harvest fields.

Thank you again for your love and support of us as we prepare for the big move and what lies ahead.

In His service,

Aaron & Kristia Reisinger

*Is not the commission of our Lord still binding upon us?
Can we not do more than now we are doing?*
