Dear Pastor and praying friends,

I just wanted to share a brief prayer request for me and Kristia. We are currently packing up our home and preparing to fly on October 2. More specific updates in our upcoming prayer letter in a few weeks.

Our packet of information will go to the Colombian consulate on tomorrow to be reviewed in order to grant us our visas for Colombia. We are just asking that God blesses us and gives us favor with the individual(s) and everything is approved the first time. If the visas are granted they should be good for at least 12-14 months before we would have to reapply.

Thank each of you for keeping us in your prayers. Our desire is to be found faithful doing our part in the Lord's harvest.

In His Service,

Aaron & Kristia Reisinger
