

April - May 2024

Dear Pastor & Friends,

I have been looking forward to sending this prayer letter out! Over the past two months, God has done amazing works in our ministry and within our lives. I will not be able to fit all the details within this letter, but I will give a brief summary. One life event that we are excited about is our second child is due in November. Emily is currently 18 weeks pregnant and doing great. Please pray that Emily will continue to have a good pregnancy and for the health of her and our second child. Please also pray for us as we begin learning the language of Tonga with a language tutor over FaceTime in July.

The next announcement has to do with our support level. We began full-time deputation one year ago on June 4th, 2024. God has been good to us as we are now at 100% of support promised! Thank you, to all of those who support us through prayer and finances. This would not have been possible with your help. Another big answer to prayer that I want to briefly mention is God providing us a house in Livingstone, Zambia. Another missionary had lived there prior to us, and God opened the door for us to get the house free of a holding charge. We will begin paying rent there in January.

On May 26th, I had the privilege of being ordained into the Gospel ministry. I want to say thank you to those who came to support me, to be a part of my ordination council, and for those who were praying for me. One last blessing from over the past two months is that we have been blessed to get to preach and teach in classes and see three come to the saving knowledge of Christ. Please pray for these as they begin their walk with the Lord.

In Christ,
