Letter 17

Bienvenidos Mis Amigos!

June was another very exciting month along the missionary trail. Although we only had one meeting, we were very busy serving the Lord in different capacities! At home, I was able to sell some items and purchase more totes in preparation for leaving for Bolivia in April. It will be here before we know it, and we cannot wait!

Deputation

We had a wonderful missions conference at Southwest Baptist Church in Brunswick, Ohio. Pastor Davis and his church family were such a blessing to us! This church puts on a nine-week day camp during the summer and our girls had such a blast being a part of it. Lydia and I definitely enjoyed the “kid free” time with fellow missionary friends. I am thankful to say that they will be partnering with us to reach Bolivia. Hallelujah!

We have had five more churches promise to begin sending support as well. Our support level is now at 69%! One of the churches that voted to take us on happened to be a last-minute booking. We are ecstatic that they decided to partner with us to reach Bolivia with the gospel. God is Good!

Duty

I had the privilege to go soulwinning several times with people from our sending church. On a Friday, I was able to go out with JJ, a former teenager of my youth group. We were able to lead a woman named Cecelia to the Lord. On a Saturday, I was able to knock doors with a new church member and another teenager. I had the privilege of leading a teenager named Ronaldo to Christ. We witnessed to a man named Harold who realized that he was a sinner who deserved Hell, but wasn't ready to accept Christ at that moment. Please pray that he would ask Christ to save him soon.

A highlight of the month was being able to drive a bus for our sending church's Vacation Bible School. It was such an encouragement to see some of my former teenagers leading the program on the bus and being altar workers. I am so proud of them! I was able to preach the second night of VBS, and eleven souls got saved. My wife and I both had the privilege to share the Gospel with some kids during the week as well. There was a total of forty-seven children accepting Christ for the VBS week. I love serving God with my family!

Donoho Family

I am so thankful that our passports came in this month. It is exciting to see everything coming together. Please pray for the remainder of our support to come in and for us to have everything done to leave in April. Also, please pray for my daughter's salvation. Zoe raised her hand at least two nights at VBS, but was too shy to come forward. Please pray for wisdom as the Holy Spirit works in her heart about getting saved.

Thank you for your prayer and financial support! We love partnering with you.
