Letter 18**Dear Praying Friends and Supporting Partners,**

Fall is here, which means the start of the “Busy Season” for missionaries! We will actually be in five different states in the month of September alone. Please pray as we need approximately eighteen more supporting churches between now and when we plan to leave for Costa Rica.

Deputation

We began the month of August at our sending church’s Missions Conference. Then we spent about a week and a half in upstate New York. I finished the month flying solo to a Mission’s Conference in Sumter, South Carolina. This month, we were able to present our calling to five new churches!

We had one new church bring us on for support and had a current supporting church significantly increase our regular support. After factoring in individuals who support us on a monthly basis, we are now at 75%! We are currently waiting to hear back from other churches as well. Praise God we are so close!

Duty

I had the privilege to preach four different times. One time was on the radio program for Sumter Baptist Temple in Sumter, South Carolina- which was a first for me.

I was also blessed to go soulwinning with Pastor Daniel Shedd of Calvary Baptist Church in Granville, New York. It is always such a blessing to see people from my college years who are still serving the Lord.

Donoho Family

This past month was also very exciting for our family. Zoe started kindergarten at our Christian School! It’s hard to believe how fast she is growing. She loves school! I am so glad she gets to be in a “normal learning environment” before we leave for the field.

Praise the Lord for safety! We were driving home from doing some grocery shopping one day and, due to construction, I ended up behind a truck pulling a trailer. As we exited the construction zone, I noticed the trailer started shaking back and forth, until it disconnected and flew towards the middle divide. In order to avoid it, I turned to the right lane which happened to be my exit, but after the trailer hit the middle divide it shot back in front of me causing me to run over it. Thankfully, it only caused cosmetic damage and two flat tires. The driver, who was not licensed, did assure me the trailer was fully insured. Please pray that his insurance reimburses me for the cost of the tow truck, tires and for new car seats.

Thank you for your prayer and financial support! We love partnering with you.

*Amor,
La Familia Donoho*
