Letter 19

Dear Brothers and Sisters in Christ,

At a Missions Conference, I heard a quote that said, “Missions Conference is the meeting of the church, to determine the fate of the world.” As many churches across America host missionaries in these upcoming months, please join me in prayer for hearts to be opened to whatever God wants us to do regarding missions.

Deputation

In September, I had the privilege of being a part of four Missions Conferences. It was very busy, but extremely encouraging! Having so many people say that they will be praying for us, as we finish raising support, is giving us the shot in the arm to keep on going.

We had four new churches take us on for support; this bumps us up to 78.5%! Praise the Lord!

Duty

In preparation for language school, I am always looking for opportunities to practice my Spanish. After the evening service at my home church, I was able to use my Spanish to give directions to a Spanish couple trying to make it to a nearby city. I was not able to witness to them, but I was able to give them a Spanish gospel tract.

At a Missions Conference in Del Rio, Texas, I was able to witness to a hotel employee named Roland. Although he was familiar with the Bible, he said that he wasn't sure he would go to heaven when he died. After giving him the gospel, I asked him if he would like to ask Christ to save him; he said yes, and asked Christ to save him.

Donoho Family

On September 26, my wife and I celebrated our ninth anniversary. It is amazing to think of what we have experienced together over the years, moving from California to Indiana to go on staff at a church, then taking a trip to Bolivia to see where the Lord is moving us for our next stage of ministry. God is so good! I am so thankful my wife has been by my side every step of the way.

Please continue to pray for the final quarter of our support to come in, safety while traveling, God's power on our lives, our girls' salvation and that everything will be completed so that we can start language school in April 2025.

Thank you for all of your prayers and financial support! God Bless You All!
